Annoncering i SVEJSNING – Den mest direkte vej til målgruppen

SVEJSNING er et kvalitetsfagtidsskrift, der udkommer 6 gange om året.
SVEJSNING bliver trykt i 2000 eksemplarer og bliver sendt til virksomheder og enkeltpersoner, der professionelt beskæftiger sig med metalforarbejdning, svejsning / NDT.

SVEJSNING is a quality trade magazine, appearing 6 times a year.

SVEJSNING is distributed to companies as well as to individual experts, all working within the area of welding / Non Destructive Testing at a highly professional level.

Udover de her beskrevne annonceformater er der andre muligheder for effektiv profilering af jeres virksomhed. Ring eller skriv, og lad os sammen finde frem til en attraktiv løsning!

Besides the described advertising sizes, we can also provide you with other possibilities for effective marketing of your products.

Do not hesitate to contact me, and let us agree upon an attractive solution!

Venlig hilsen – Kind regard
